Scholastic Achievement Application Form

In an effort to emphasize the importance of maintaining scholastic ability in conjunction with athletic ability, the SCVAA Lightning Warriors in cooperation with local school districts, awards a Scholastic Achievement plaque to all active athletes that maintain a 'B+' (3.3) grade point average or better during the season. The plaque is engraved with the student's name, year and symbol of the sport in which he/she is participating. A special President's Award is presented to players that maintain straight A's.
