

NEWSLETTER 3 - MARCH 18, 2008:

This is a reminder of our policy regarding who is allowed to be on the track or the infield once practice has begun.

After the team meeting when the athletes are dismissed to go to their respective age groups, the only people allowed on the track or the infield are athletes, coaches, board members, and parent volunteers. Everyone else **MUST** remain in the stands unless called down to the field by a coach, board member or parent volunteer.

This is vitally important and must be followed by everyone. Not only is this a requirement of COC, but it is important for the safety of our athletes.

Mock meet was lots of fun!

Please note that we had a great time last Saturday and it was a good day! Your coach's will be given the times relative to all the races later this week or early next week. Please see your coach if you are interested in finding out your times for the races you ran. :

A special thanks to all the parents who helped with running the mock meet. We couldn't have done it without you! Thanks!
